

Solution Source Named a “Best Place to Work in Indiana” for 2026

February 25, 2026 – FOR IMMEDIATE RELEASE

GOSHEN, Ind. - Solution Source, a leading NetSuite Solution Provider based in Goshen, IN was recently named one of the 2026 Best Places to Work in Indiana by the Indiana Chamber of Commerce. This marks the fourth consecutive year Solution Source has earned this distinction.

The statewide survey and awards program, now in its 21st year, is designed to evaluate participating organizations and honor those with the highest levels of employee satisfaction and engagement in the workplace.

“The Best Places to Work program is a great way for organizations to take the temperature of their culture and how it’s resonating with today’s workers,” says Indiana Chamber President and CEO Vanessa Green Sindere. “We salute each of this year’s winners for their commitment to displaying best practices in their workplaces, which are enabling them to attract and retain employees, as well as drive increased productivity and overall success.”

Companies from across the state entered the two-part survey process to determine the Best Places to Work in Indiana. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure the employee experience.

The combined scores determined the top companies and final rankings. Workforce Research Group managed the overall registration and survey process in Indiana, analyzed the data, and determined the honorees and rankings.

This year, 150 companies were named to [the list](#). Best Places to Work in Indiana winners were selected from five categories: small companies of between 15 and 34 U.S. employees; small-medium companies of between 35 and 74 U.S. employees; medium companies of between 75 and 249 U.S. employees; large companies of between 250 and 999 U.S. employees; and major companies with 1,000 or more U.S. employees. Out-of-state parent companies were eligible to participate if at least 15 full-time employees work in Indiana.

The rankings will be announced at an awards ceremony May 13, 2026, and then published in the Indiana Chamber’s *BizVoice*® magazine after the event.
